

In simple terms, Global Responsibility (GR) is a platform that formalizes our commitment to doing things the right way. It stems from our core values of quality, service, competitive price and ethics, guiding everything we do. Our GR strategy encompasses five categories with priority areas of focus that address the economic, environmental and social aspects of our operations and the main interests of our key stakeholders.

OUR COMMUNITIES

PRODUCT RESPONSIBILITY

SUPPLY CHAIN RESPONSIBILITY

OUR PEOPLE

ENVIRONMENTAL RESPONSIBILITY

**Our commitment to strengthen relationships and benefit communities close to home and beyond**

Jedd Taylor, Denver

**Ashley Wilkins**  
James Wilkins, Fort Morgan

**Colin Wylie**  
Adam Wylie, Denver

SCHOLARSHIPS HAVE  
BEEN AWARDED SINCE THE  
PROGRAM BEGAN.

## LeprinoScholars Recipients Make the Grade

Since 2018, the Leprino Foods Company Foundation has been supporting postsecondary education among dependents of Leprino Foods employees through the LeprinoScholars Scholarship Program. Recipients are chosen based on academic record, community involvement, leadership, work experience and other factors in a selection process managed by an independent third party. More than 80 students applied for the 2022-23 academic year, and 20 scholarships were awarded in July.

*"This scholarship has tremendously helped me to complete my degree in four years like I had hoped for."*

—Madelyn Melo

*"The LeprinoScholars scholarship has helped me devote more time and effort towards my studies rather than worrying so much about finding a job during my first year at college."*

—Anna Richmond

*"The LeprinoScholars scholarship has helped me devote time to my studies instead of working a lot or taking out a large, costly private loan to pay for school."*

—Colin Wylie

**Application Period Open Now:** Submissions for the 2023-24 academic year are being accepted now through Jan. 31, 2023. The scholarship is open to dependents, up to 26 years old, of full-time Leprino Foods employees with one year or more of service (excluding dependents of senior vice presidents and above). Applicants must be high school seniors or graduates who will attend an accredited two- or four-year college, university or vocational-technical school in the upcoming academic year. [Applications are accepted online.](#)

November 2022

# Month of Impact Focuses on Nutrition

During Leprino Foods' inaugural companywide Month of Impact in September, we focused our efforts on nutrition, one of our four pillars of support. Employees across all our locations organized over 40 events, made donations and volunteered in their local communities to support food security and promote access to healthy food. Below are some of the highlights from the month.

Roswell sponsored the Chile Cheese Festival and a green chile stew competition.

Tracy made smoothies using a bike to blend the ingredients, promoting nutrition and fitness.

To encourage employees to get involved, we promoted a friendly competition for the locations with the most volunteer hours. The top three plants received additional funding from the Leprino Foods Company Foundation for the 2023 grant cycle.

## TRACY

1st place \$10,000

## GREELEY

2nd place \$2,500

## REMUS

3rd place \$2,500

POUNDS OF CHEESE  
DONATED

## ORGANIZING FOOD DRIVES AND DONATIONS

Employees at our locations coordinated food drives for local organizations and donated 40,000 pounds of cheese.

- Allendale collected more than 5,900 items for Love INC.
- Denver repackaged bulk cheese into individual servings for Bienvenidos Food Bank and Roadrunner Food Pantry.
- Fort Morgan supported Rising Up Morgan County.
- Greeley held a plant raffle for Hearts, Hands and Hope Foundation.
- Lemoore East collected food for Amanda's Home and packed food boxes for God's Bread Box and West Hills College.
- Remus collected food for the Amazing Race Food Drive benefiting God's Helping Hands and donated cheese to local elementary schools (pictured above).
- Remus gave out free Ascent product samples to local schools.
- Waverly supported The Bridge Program.

Volunteers put on their gardening gloves to help in the Remus Community Garden.

## GARDEN HELPERS

Employees in Denver enjoyed getting outdoors to help at the Senior Resource Center Garden and to collect pollinator data at the Butterfly Pavilion, which supports healthy food systems.

Volunteer teams at the Greeley plant helped with a variety of projects at the Weld Food Bank.

## PREPARING AND SERVING FOOD

Employees volunteered to serve meals and prepare food for distribution at local nonprofits and schools.

- Denver volunteered at the Samaritan House, the Family Tree food pantry and Food for Thought.
- Lemoore West helped at the Hanford Soup Kitchen and the Kings County Animal Services Pet Food Pantry.
- Tracy distributed afterschool snacks to children through the Give Every Child a Chance program. The plant also supported the Tracy Interfaith Ministries Food Pantry and Second Harvest.
